Dear William Huanshan Chuang,

Congratulations on your admission to graduate study at Ohio University! The Graduate College has processed your **Fall 2022** admission to the PhD program in Mathematics. The Graduate College will ***email*** your official admission letter to you within one to three business days.

NOTE: The letter will most likely appear in the body of the email and not as an attachment. Please print it for your use.

Please follow the instructions in this email carefully; otherwise, your I-20 could be delayed.
